HOME ESCAPE PLAN

REMEMBER THE FIRST STEP TO ESCAPING A FIRE IS TO PLAN AHEAD!

THIS IS AN EXAMPLE OF A HOME ESCAPE PLAN

Change the battery at least once a year (on a significant date e.g. April Fools day).
Test your smoke alarm weekly.

PLAN YOUR ESCAPE! REMEMBER THESE IMPORTANT POINTS:

Know two ways out of every room.
Close the door to prevent fire and smoke from spreading.
Crawl low in smoke.
Get out! Alert others.
When outside, stay out. Never go back inside!
Meet at a common meeting place at the front of the house i.e. your letterbox or your gate.
Phone 000 from a safe place.

Everyone, including your children, should have a part in planning and practising your Home Escape Plan!
