

NDIS Worker Screening – Request for Special ID Provisions

This form is to be used by an applicant who is unable to provide all of the identity documents required for a NDIS Worker Screening Check application due to exceptional circumstances.

Exceptional circumstances only apply where the person **does not possess** and is **unable to obtain** the identity documents. Inconvenience or time is not a sufficient reason. The responsibility is on to you to demonstrate that exceptional circumstances apply and that all attempts and options to obtain ID have been exhausted. Special provisions are a last resort. Requests for special provisions are assessed on a case-by-case basis and SAFE NT is under no obligation to approve a request if it is not considered exceptional or legitimate.

You will receive email notification from SAFE NT if your request for special ID provisions has been approved. SAFE NT will then provide instructions on how best to complete the application process.
