

# UNDER LOCK & KEY

How to protect your home from opportunistic property crime

**Remember to lock your doors and windows** - even when you're at home

**Use keys to lock your screen doors** - 'flicking the switch' is still easily accessible for offenders

**Hide your keys, wallet and phone** - don't leave them in an obvious place

**Always lock your vehicle** and ensure valuable items are not left within view of others

**Close your curtains when you're not home** - why risk tempting an opportunistic thief?

**If you're going away,** get a friend or neighbour to check on your property

If you see any suspicious activity in your local community, report it to Police on **131 444** or call Crime Stoppers on **1800 333 000**
