# BIKE PASSPORT

### Consider the following crime prevention tips:

- Engrave or mark your bike frame (near the serial number) with an ultraviolet (UV) pen, microdot or by other permanent means with your driver's licence number prefixed by the letters 'NT' for Northern Territory (e.g. NT12345)
- Mark all accessories including your helmet, lights, pump, saddle etc.
- Take a photograph of your bike and attach it to this passport
- Complete the Bike Passport and keep it in a safe place
- Purchase and fit a good quality bike lock
- Always park and secure your bike in well-lit and populated areas
- Always lock the frame and both wheels to a secure object
- When securing your bike, remove equipment including your helmet, lights, pumps etc.
- Never leave your bike unattended and unlocked, even for a short period of time
- When at home, secure your bike in a locked shed or inside your house
