This allowance is subject to regular reviews in conjunction with any CPI increases and is also subject to PAYG tax.

**Provision of False Information**

Applicants are required to disclose all traffic, criminal and civil offences, and any other information which may reflect on their integrity or conduct to perform the duties of a police officer.

Where there is evidence of a failure to disclose relevant information on the application form, medical questionnaire, supplementary information form, or at any other stage of the selection process, or where false or misleading information has been provided, the applicant should be advised that it will be assumed by the Integrity Panel that the action was deliberate unless the applicant can clearly demonstrate otherwise. <tr>
<td>Court Outcomes re Offences</td>
<td>When assessing an offence committed by an applicant, the critical issue is whether the applicant was guilty of the offence, irrespective of whether or not a conviction was recorded. Whilst a decision by a Court not to record a conviction may be taken into account when determining the gravity of the offence, it does not indicate that the offence was not committed. Where an applicant has been charged with an offence but found not guilty, or where a Nolle Prosequi has resulted, the Superintendent with responsibility for recruitment will evaluate and make a determination as to whether the applicant proceed to testing or be referred to the Integrity Panel. The Integrity Panel will review the available evidence regarding the alleged offence, and will reach its own conclusion regarding the applicant’s standard of conduct. Where charges have undergone committal proceedings and committed to the Supreme Court, the Integrity Panel will take into account that the Magistrate had to be satisfied that a prima facie case exists before committing the matter to the higher court.</td>
