

# WOW DAY

MAY 20TH

GET YOUR WORKPLACE INVOLVED AND WEAR ORANGE!

WILL YOUR WORKPLACE GO ORANGE ON WEAR ORANGE WEDNESDAY TO THANK SES VOLUNTEERS?

**Wear Orange Wednesday**  
20 May 2020 – get your workplace involved!

WOW Day is a national campaign with a simple call to action; wear orange on 20 May in recognition of the efforts of thousands of SES volunteers who give up their time to serve their communities in floods, storms and other emergencies.

Orange is the official colour of State Emergency Services across the country so wearing orange on WOW Day is a great way to show your support of SES volunteers.

You can also turn your workplace orange and get everyone involved!

**Will your workplace go orange on WOW Day to thank SES volunteers?**

You could hold a WOW Day morning tea and serve orange food, decorate your workplace or business orange with orange balloons, orange streamers, WOW Day posters or just get everybody wearing orange.

Don't let 20 May be just another hump day at your workplace – make it WOW Day!
